

*obviously use your good sense to stay safer. Doing so by on a bike or car is often safer than on foot. in a group is often safer than alone.

Why is disrespect, disparagement & verbal abuse from the people. Cops who quit say this, too. Let that "fuck 12!!" fly! See a cop? Bully a cop!

There's a reason 12 hates Copwatch: it keeps us safe, and them on notice. Make it the norm to stop and monitor any cop interaction. Learn from established best practices & methods.

Often, though, someone in distress needs an active bystander, not just a witness. With your voice or other actions, consider ahead of time what help you can offer to those targeted for arrest, assault, or worse by the cops.

ALL COPS ARE BASTARDS

Public shaming works—but it's not enough to grouse on socials. Say if loud & proud, wherever you go.

"(this joint is a pig hangout? we're eating ' somewhere else.)"

"y'all are having a cop booth to go? Count us out!"

Police preservationism

seeps into too many spaces, and grows wherever it is unchallenged. Is the crowd chanting "prosecute the police?"

Fix that—around here we GET RID of the police! Needs pushing "community police relations" or "community control of cops" junk? Slap on ACAB MEANS ALL sticker over that. Reformism is our 'enemies' too!

for when the match strikes

Ruptures, riots, & transformations can begin in an instant. Will you be ready?

Protective gear. Direct action tools. Popularized. Good. Med. supplies. op-sec. a go bag. self-defense. if lightning strikes tomorrow, let's be ready to destroy housing! once & for always!

EVERYTHING IN THIS LIL ZINE APPLIES TO PRIVATE SECURITY, THE MILITARY, & MERCENARIES TOO!!

fuck bootlickers, peace pigs + collaborators
